Procedures

Date of initial publication: N/A Date of latest revision: March 21, 2023

SECTION I. PROCEDURES AND COMMUNICATIONS

A. Public Safety Response and Investigation

- 1. When a report of a missing student is made to Public Safet , Public Safet will take a report and commence a reasonable search based on available information. A reasonable search will include, at a minimum:
 - Gathering information from the person who made the report
 - Attempting to contact the missing student via phone, text and email
 - For on-campus students, performing a health and welfare check in the student's room

Depending on the circumstances, a reasonable search ma also include, but is not limited to, camera review, area search and/or speaking with roommates and/or others. Public Safet ma engage other Universit offices, as appropriate, with respect to this investigation.

- 2. If a resident student cannot be located, the Director of Public Safet , Dean of Students, and Director of Residence Life will coordinate to notif the local police department and confidential contacts within 24 hours. Police and confidential contacts ma be contacted sooner if there are concerning circumstances related to the student's disappearance. If the missing student is under the age of 18, Public Safet will also contact the student's custodial parent or legal guardian no later than 24 hours after the student is determined to be missing.
- 3. If the student lives off campus, Public Safet ma contact police based on the investigation and will also direct the reporting part to contact the police department where the person was last seen or went missing from. Public Safet ma also contact the student's confidential contacts.
- 4. In responding to reports of a missing student case originating from campus, Public Safet will implement the incident command s stem. The first responding officer will obtain available information about the incident and determine the resources that will be needed. The officer will also notif the supervisor on-dut. The on-dut supervisor will then contact the manager on-dut and update information. The manager on-dut will contact the Director of Public Safet if the person is a student, or the person is missing from campus. The will then coordinate the response and investigation.
