

Remote Access Policy

The purpose of this policy is to define standards for connecting to the St. Thomas network from rem

- VPN users will be automatically disconnected from the St. Thomas network after a period of inactivity. Save your work often.
- Only resources hosted by St. Thomas (such as Banner and Cognos) are secured by the VPN. Other resources accessed during a VPN session (such as Facebook, CNN, Google Mail) are not secured by the St. Thomas VPN.
- Exceptions to this policy will be handled on a case by case basis.

If you have any questions related to the use of the St. Thomas VPN, please contact the Tech Desk at (651) 962-6230.
